

Better Health Partnership

Impact Report

Rita Navarro-Horwitz
President & CEO
Better Health Partnership

Better Health Partnership Impact

Learning Objectives

Participants will be able to:

1. Recognize the regional collective impact of cross-sector collaboration on health outcomes and disparities.
2. Identify ways the Pathways HUB care coordination services bring value to community-based organizations, community health workers, and the people they serve.
3. Describe future BHP collaborative initiatives planned for improving health and health equity in the region.

Innovating and Integrating into a Better Future Together

Better Health Partnership

Our collaborative work continues until...

A dense field of blue butterflies with one red butterfly in the foreground. The butterflies are arranged in a pattern, filling the entire frame. The red butterfly is positioned in the lower right quadrant, standing out from the rest of the blue ones. The background is a solid, deep blue color.

Anything is possible when
you keep leading like a
butterfly....
